

About the Exam

- Apply for the exam through www.pmi.org
- Applications may either be accepted or subjected to an audit
- Upon acceptance, proceed to pay the required fee and then schedule the exam through PEARSON
- Choose a date and time for the examination
- Ensure you bring two photo IDs to the center, as nothing is permitted inside
- Results will be provided immediately and will be graded against three domains: People, Process, and Business, categorizing performance as:
 - Above target
 - Target
 - Below target
 - Needs improvement

Exam Method

Computer-based

- At PEARSON center
- Proctored exam center from home

Paper-based

Exam from Home: Alerts !

- Camera monitoring is strictly enforced.
- Your desktop will be under control.
- Avoid using the company's laptop or system.
- Ensure the stability of your internet connection and power supply.
- Make sure you are in isolation; no one should enter during the exam.
- You have the option to take a break after 60 minutes.
- A maximum of two breaks is allowed, but if you take a break, already-answered questions will be locked.

Question Types

Multiple Choice:

- Select the best option from the given four choices.

Multiple Responses:

- There could be more than one correct answer among the choices provided.

Matching:

- Match choices are presented in two columns.

Fill in the Blank(s):

- Fill in the right answer. Options paired could be the right set also. Be careful.

Question Types

Hotspot Questions:

- You need to complete a chart or click (mark or point) on a graph.
- The range is fine for an answer.

Match the Pairs (Drag and Match):

- Once you drag, the answer option on the right might disappear. Leverage the whiteboard here.
- Put the answers you think are right on the whiteboard first.

Tips

- No need to memorize ITTOs (Inputs, Tools and Techniques, Outputs) from the PMBOK guide.
- Focus on the difference in approach between Predictive, Agile, and Hybrid methodologies.
- Questions on the predictive approach may cover Risk, Procurement, Quality, Communication, Stakeholders, and Resources.
- Understand Agile, Scrum terms, Glossary at AP Guide, and Changes.
- No difficult math questions; understanding terms and concepts is the key.
- Focus on interpreting CPI and SPI values in Earned Value Management.

Tips

- Understand performance tracking tools used in both Predictive and AGILE methodologies.
- Be aware that the life cycle approach in situational questions may be implied and not explicitly stated.
- Time yourself from the beginning of the exam; don't spend too much time on a single question.
- If you don't know the answer to a few questions initially, don't panic. Mark them (to revisit) and move on.
- Ensure you maintain focus and speed, and stay calm throughout the exam.

PMI Application Steps

Confirm your eligibility:

- A four-year degree, secondary education diploma, or equivalent
- 36 months of experience leading projects for eight years

Secondary education diploma or equivalent:

- 60 months of experience leading projects for eight years
AND
- 35 hours of Project management training

PMI Application Steps

Projects led:

- Where you've worked
- Your role and responsibilities
- Duration of the projects

Training completed:

- Institutions attended
- Courses completed
- Qualifying hours

PMI Application Steps

Once the application is accepted online, you can pay the exam fee.

- Member: USD 405
- Non-member: USD 555

PMI Application Steps

If chosen for audit, it will be necessary to provide the following to confirm your eligibility:

- Copy of the degree
- Verification of experience (leading the project) signed by the supervisor
- Certificate or proof of 35 hours of project management training
